THE OWNER COMMENTS

Our 2 ½ rooms (for max. 4 guests) is located in a small chalet style apartment building containing only 6 apartments. It benefits from a quiet and sunny situation boasting a magnificent panoramic view over the Rhone Valley and the mountains. During the winter season, a free ski-bus, of which the bus-stop is located directly opposite the building, transports you to the gondola departure station in just a few minutes. Walk time from home to the cable car, about 15 minutes.

The apartment consists of :

- Living room with fireplace, radio-CD player, TV and bed-settee
- Kitchen with 4 plate hob, oven and dishwasher, Nespresso machine, Racletteoven, Fondueset, etc..
- Bedroom with double bed and built-in wardrobe
- Corridor with fold-down bunk-beds and built-in wardrobe
- Bath/shower
- Separate WC
- Vast angled balcony with table, chairs and sun loungers
- Washing machine, dryer and ski locker in the basement, for free
- Free private parking
